CAMILLIANS

Our Mission

The **Order of the Ministers of the Infirm** (Camillians) is a religious order of men dedicated to the apostolate to the sick. We are uniquely committed to the health care world by transmitting the Gospel values in the health care system through the expression of our **fourth vow: serving the sick with compassion and serving them even at the risk of one's life.** We Camillians are identified with a big red cross on our habit.

We, the consecrated men of the Ministers of the Infirm, attentive to the signs of the time, commit ourselves to proclaim the Gospel of the Merciful Christ by serving the sick in the totality of their needs and in communion with the Church.

Our Patron, St Camillus de Lellis

St Camillus de Lellis, who founded the Order in 1582, is the universal **Patron of the Sick, Hospitals, and Healthcare Workers.** He passed on a great legacy founding a "new school of charity" in the humanisation of the healthcare system.

Our Service to the Poor and the Sick around the world

Currently, we Camillians are present in 42 countries all over the world, working in hospitals, clinics, HIV-AIDS centres, parishes, hospices, and slums.

We serve in the **spiritual, medical, pastoral, and humanitarian needs of people.** Together, we witness to the **merciful love of Christ for the poor and the sick in word, deed, and sacrament.**

Our Presence Across Australia

Our first Camillian presence in Australia was established in 2002 at the Sacred Heart Parish in Westmead, NSW. Since then, we have grown in serving across 13 hospitals and parishes around New South Wales and Queensland territories.
